PLAN OF ORGANIZATION OF THE CONSERVATIVE PEOPLE OF NORTH CAROLINA.

STATE ORGANIZATION.

A State Committee, to consist of a chairman and thirty members—six of whom shall reside in Raleigh and three in each judicial district—to be appointed by the State Convention.

The committee shall have power to maintain its organization by filling vacancies, &c., and shall take charge of all matters relating to organization, registrations, &c., and a proper canvass of the State.

DISTRICT ORGANIZATION.

The members of the State Committee in each judicial district shall constitute a district Committee for their respective districts and shall appoint a Chairman, and shall take charge of all matters relating to county organization, &c., in their respective districts; and shall report all matters relating thereto, to the Chairman of the State Committee.

COUNTY ORGANIZATION.

It is recommended that each County, by popular meetings or through the medium of existing organization, appoint a County Committee, to consist of at least two persons from each Captain's District within its limits.

The County Committee shall take charge of all matters of registration, local organization, &c., within the County, and is requested to make monthly reports to the Chairman of the District Committee, and when necessary, to inform him of such local matters as may require the attention of the District Committee.

It is further recommended that each County Committee cause to be enrolled the names of all the registered voters of their county, who are willing to act and vote with this organization—no man to be thus enrolled without his express consent; and, also, that they cause to be enrolled on a separate list the names of all those who are entitled to register, but who have not done so, and that they use every exertion to secure their registration and active co-operation.

PLATFORM.

The Conservative people of North Carolina, having by their delegates assembled in Convention at Raleigh, on the 5th of February, 1868, to consider the present anomalous condition of the State, and of the country, and to consult together upon the grievances which now afflict and threaten them, and the course of action proper to be adopted in the trying circumstances which surround them, do resolve and declare

1. Our unalterable devotion to the principles of Constitutional liberty, and our fealty to the government of the United States, as set forth in the Federal Constitution. That we sincerely and in good faith accept the legitimate and legal results of the late war, and do hereby reiterate our oft repeated declaration, that we most heartily desire peace and concord with our sister States, and with the entire people of the United States.

2. *Resolved*, That regarding the Constitution of the United States as the source of all power in the administration of the government, and that the powers of the Executive, Legislative and Judicial department are equal and co-ordinate, as defined by that instrument, we do respectfully and solemnly protest against the enforcement upon our people, of the Reconstruction Acts, and policy of Congress, as unconstitutional, unwise and destructive to society, and violative of that great principle of American politics, that each State shall have the exclusive control of its own internal offices.

3. *Resolved*, That it is the opinion of this Convention that the great and all absorbing issue, now soon to be presented to the people of the State, is negro suffrage and negro equality, if not supremacy, and whether hereafter in North Carolina and the South, the white man is to be placed politically and, as a consequence, socially, upon a footing of equality with the negro, and, in many localities, subject to his government as a superior. That we are utterly opposed to such change in our government and in our social relations, and that we do hereby earnestly recommend to the people of the State to manfully meet the issue now attempted to be forced upon them, and to use every proper measure within their power to avert the impending mischief.

4. *Resolved*, That while we are unalterably opposed to political and social equality with the black race, we yet have no unjust prejudicies against that race, that we are determined, by just laws, to protect them fully in all their civil rights, and to confer upon them all privileges which can be done consistently with the safety and welfare of both races.

5. *Resolved*, That the distressed and impoverished condition of our people earnestly demands the speediest and wisest measures of relief that the Legislature can devise.

6. *Resolved*, That this Convention recognizes, with feelings of gratitude, the heroic and patriotic efforts of the President of the United States, to restore the Union and harmony and good will among the American people.

7. *Resolved*, That this Convention regards the Supreme Court of the United States as the legitimate expounder in the last resort of the Constitution—and believe that its rights and powers, in that respect, should be preserved intact as established by law in the earlier and better days of the republic, and that any serious impairment thereof, by legislation or otherwise, will be destructive to the best interests of the country, and dangerous to the liberties of the people.

8. *Resolved*, That despairing of any restoration of the Southern States under the conduct of that organization which now controls the proceedings of Congress, waiving all former party feeling and prejudice, this Convention does most unhesitatingly recommend and invite the hearty co-operation of all the good people of North Carolina with the Democrats, and Conservative men of the North and West, who are now nobly struggling for the maintenance of the Constitution of the United States, and the restoration of the Southern States to their rights in the Union, on the solid foundation of harmony and peace.

9. *Resolved*, That this Convention elect four delegates and four alternates for the State at large, to represent the conservative people of North Carolina in the next Democratic National Convention, and that it recommend to the conservative people of the several Congressional Districts, to appoint delegates at an early day to represent them in said Convention.

10. *Resolved*, That when an election shall be ordered for the ratification of a new State Constitution, the Executive Committee for the State, hereafter to be appointed by this Convention, be instructed, if the time shall be sufficient to call a Convention of the Conservative people of the State, to put in nomination candidates for the various State offices whose election shall then be ordered, and if there shall not be sufficient time to call said Convention, to put in nomination sound Conservative men for said office.

RECAPITULATION (Without Delegates from

The North Carolinian.

"Breathes there a man with soul so dead,
Who never to himself hath said,
This is my own, my native land."

WM. A. HEARNE, JNO. W. DUNHAM,
EDITORS.

Raleigh, Friday, February 21, 1868.

THE Wilmington Journal, ever watchful of the safety and honor of the Commonwealth, after stating, in its issue of Wednesday, that many persons, who could not or would not register before the election for a convention in November, are now anxiously inquiring whether they will be allowed the privilege, calls attention to the fact, that the Reconstruction acts require that *fourteen days prior to any election*, held by virtue of said acts, the boards of registration shall revise, for a period of three days, the registration lists, striking therefrom the names of all persons unlawfully registered, and adding that of any person who, at the time of revision, shall possess the qualifications of an elector required by the acts.

Any person, therefore, not prohibited from suffrage by the reconstruction acts, who from any cause failed or refused to register, when the lists were opened last year will have an opportunity of doing so, at some time of which public notice will be given, before the election for the ratification or rejection of the constitution. We add our most earnest solicitations to those of the Journal, and beg the white men of North Carolina, who are unregistered, to permit no cause, save absolute inability, to prevent them from the discharge of this most imperative duty. It is a matter not less of private interest than of public weal. The contest before us is a contest for liberty, for truth, for home and for the preservation of our honor and our welfare.

The Radical party in the State is thoroughly organized and disciplined. It will go into the contest determined upon vigorous work. It polled its full strength in November last for the convention, which now makes mockery of our rights and feelings, and it will not be less earnest in the coming campaign. It is already at work for the accomplishment of our ruin and degradation. We shall need all the courage, all the energy, all the ability to be found in our ranks to combat and defeat it. *We cannot afford to lose the vote of any man, who is with us in sentiment.*

We appeal, therefore, to our readers, if there be those among them who have neglected the performance of the duty, not to suffer another opportunity to pass unimproved.

The dearest interests of the State are involved in the result of the next election, and he is no true son of hers who wavers in this time of danger, or who, having the power to assist in preserving her unspotted and uninjured, neglects or refuses to render his aid.

We would particularly impress the importance of this matter upon the canvasses and county committees, that have been, or may be appointed. Make diligent inquiry, gentlemen, and learn who of your neighbors are not upon the lists—and having learned, strive to impress them with the necessity of registration.

THE petition of the people of Alabama, presented to the Senate by Senator Doolittle about a week ago, after concisely and forcibly presenting the evils which would follow such reconstruction as Congress demanded, concluded by asking the body, rather than enforce that policy, to continue its own rule by the sword, by sending among them honorable and upright men of their own race.

These are the sentiments of the white people of every Southern community.—Better a thousand years of military rule, than a single moment of voluntary degradation!

THE organization of the white men of State, preparatory to an active, aggressive campaign against radicalism, goes gloriously on.

We publish elsewhere the proceedings of a meeting held in Warrenton on Monday last. The same harmony and enthusiasm manifested in Chatham, Wake, and Wayne, was exhibited by the true sons of gallant old Warren in their council. The gentlemen composing the meeting are among the most worthy and intelligent in the State—men who inspire respect and confidence by their virtues and intelligence. It is by such men that the work of preserving our institutions, customs, laws and honor is undertaken, and their co-operation in any movement attests its respectability.

We trust that the example so nobly given will be right nobly followed, and that we shall have the pleasure of chronicling just such a rallying of genuine North Carolinians in every county in the State. We can not win this fight without work, and unless we have resolved to do our whole duty, we had better have staid out of it, originally. Any lukewarmness, apathy or cowardly shrinking may cost us all we value most highly in life.

THE fairness and liberality of Radical legislation had never a better illustration than was afforded by the Senate, on Tuesday, in refusing to the Hon. Mr. Thomas, of Maryland, the seat to which he had been legally elected by the legislature of that State. The refusal was based upon the ground of disloyalty, after Mr. Thomas had declared his willingness to take the oath required by Congress of its members; and the only facts, elicited by the most rigid investigation upon which to justify it, was that Mr. Thomas had given a son, who left his home despite fraternal remonstrances and commands to join the Southern army, one hundred dollars to prevent his suffering in the land of scarcity to which he came. A father who would have refused the pittance, would have been a brute, too contemptible to hold the position, which Mr. Thomas sought.

THE KOWLES FAMILY,

BY GAS LIGHT!

KALVIN J. KOWLES,	Manager.
EX. P. G.	Prompter.
J. A. PECK,	Treasurer.

(BY OUR SPECIAL REPORTER UNDER THE TABLE.)

[The reader is particularly requested to remember the fact that no Reporter for this paper is allowed on the floor, in the halls or in the galleries of the Convention, and consequently our reports are made from under the table, behind the scenes, or as may be otherwise ordered and convenient.]

In accordance with the announcement in The North Carolinian, the wonderful Kowles Family commenced their inimitable performance at 7½ o'clock, exactly.

The roll being called, on motion

The report on emigration was made the special order for 10½ o'clock, Monday next.

SUFFRAGE.

Harris, nigger, of Wake, took the floor and made one of his characteristic harangues. He claimed that, nigger blood was as patriotic as any in the land; that it was the first blood spilled in the revolutionary war, and that it flowed very copiously in the cause of the Union during the late rebellion.

In speaking of the Democrats he waxed as furious as Bombastes Furioso, and a heap more so, and said if he was king of the United States, he would cut off the heads of all the Copperheads in the country. He didn't believe in any war of races. All such talk was simply nonsensical.

He proceeded to descant at great length upon the points previously suggested to him by the Ex. P. G., but finally subsided to his seat, for the accommodation of Johnny McDonald, of Chatham, who had been impatiently waiting to offer his congratulations to the sable "peer of Vance and Graham."

Hayes, nigger, of Halifax, and French, white black-bird, of Bladen, made short speeches on the same question, but their remarks are too vulgar for reproduction in our columns.

Manager Kowles then announced Messrs. Forkner, Blume and Taylor as the committee on final adjournment.

Here the performance ended until 10 o'clock to-morrow.

THE NIGGER KONVENSHUN.

[THIRTY-SECOND DAY.]

THURSDAY, Feb. 20.

Manager Kowles went "bobbin around" the night before, which made him late in the arrangement of his toilet this morning,—so late that Mr. King, of Lenoir, was requested to act as master of ceremonies until prayers were over. After prayers the distinguished "rootist" "arrove" and mounted his perch.

McDonald, the prospective Congressman, of Chatham, offered a report from the committee to which the resolution in favor of H. B. Guthrie, sheriff of Orange, was referred, presenting with it a letter from the Public Treasurer, and an ordinance allowing Mr. Guthrie $1,200.

Mr. Laflin, of New York, here arose and said that the hour for considering the special order for re-districting the Congressional districts of the State had arrived.

Mr. Nicholson presented an ordinance concerning homesteads, which was ordered to be printed.

The special order was then taken up and the report read.

Mr. Laflin said there was but one change proposed, to-wit: transferring New Hanover from the 2nd to the 3rd district. He said that New Hanover was the outlet of the Cape Fear, and that it had always up to 1865 been a part of the 2nd district.

Mann, from Yankee-land, *via* Cumberland, said he didn't want any change, as his nigger party was so well organized that they could carry the next election as easy as falling off a log. [See Dictionary of Konvenshun Slang.]

Hood, Egyptian, of Cumberland, wanted to recommit to the committee, with instructions to report the districts as they were in '65.

Abbott, of New Hampshire, felt assured that the *parsonic* Egyptian was not opposed to it at *heart*, inasmuch as New Hanover belonged to the 3rd District in '65.

The Egyptian trusted that the New Hampshire man meant no slur on his integrity.

The Granite State Shaker relented; he assured the Egyptian that he entertained the profoundest reverence for his cloth.

Sweet, the miscegenating "Deown" Easter, via Craven, protested against the recommitment, and prayed that the report might be adopted, but before the matter could be discussed the chair announced the special order, to wit:

THE ARTICLE ON SUFFRAGE.

Mr. Sweet made a motion to postpone until the matter of Re-districting was settled, and the motion prevailed.

Congleton, the Carteret hog-thief, sermonized in favor of the change.

Mr. Mann, the mean Mann, of Cumberland, expressed the hope that the motion to recommit would be adopted.

The motion to recommit was then submitted to a vote and did not prevail.

Mr. Morton offered an amendment to strike out Stanly county from the 3d District and put it in the 5th.

The Tourgee—bird of passage, and *prey* too, they say, requested the chair to instruct as to the question before the house.

The chair gave it as his private opinion that the Tourgee ought to know.

The Tourgee retorted by saying that he wasn't in the habit of doing things in that kind of style. When he asked a *gentleman* a question, he wanted no evasive answer.

The chair became greatly agitated, and begged everybody to be seated, so that the chair might "know herself."

The scene that was now presented beggars description. It almost rivalled that which occurred when Dan Castello's show passed the Capitol grounds.

Mr. Pool, of Pasquotank, made a motion to send it back to the committee, instructing them to re-district the districts *pro rata*, according to the registered votes.

Hood, Egyptian, acquiesced.

The ayes and noes was called on Pool's motion, and, by the count, it was lost.

Morton's motion was then put to the house and prevailed.

SUFFRAGE.

It came Shaker Abbott's turn to expatiate. He said that every nation and people, from the earliest period in the world's history down "to the date of these presents" had voted in some way or other. The Romans, for instance, voted with oyster shells, the name of the candidate being written thereon before the tickets (!) were deposited in the ballot box; whence, said the learned etymologist, "we get the word oyster-cise." (ostracise.) There was no doubt in the world in his mind, that every man, woman and child in the South, who sympathised with the wicked rebellion, were traitors, and had therefore no rights that niggers and Northern interlopers were bound to respect. The men of the South who had voluntarily "borne arms against "the best government the world ever saw," had forfeited their lives, but the Great-Radical Congress had been merciful, and only *disfranchised* the wicked rebel leaders. He continued this puerile strain at some length to the great edification of the niggers in the gallery. Resuming, he said that the rebel States had lost all their rights by rebellion, and they would only be restored when the great Radical Congress thought it wise and expedient to do so.

Mr. Graham, of Orange, interrupting said: Do you believe that the U. S. Government had a right to punish the Southern States, as States, or do you think that it should punish individuals; if so, can any punishment, save that prescribed in the constitution, be inflicted.

This was a poser to the quaker. He blushed, bit his lips, scratched his pate, and finally replied that he didn't have time just then to answer the question.

Resuming, he thought that penitent souls like Holden, Rodman, Longstreet and Orr, (who had swallowed nigger Radicalism,) should be enfranchised; but so help him heaven, he never would consent to give the right of suffrage to any man who would not accept the gracious provision of the acts of Congress.

He would vote for the majority report, with a test oath amendment that would exclude such arch traitors as Vance, such rebellious newspapers and people as the North Carolinian and its editors, until they became unconditionally loyal in every respect whatsoever, [and voted with the Radical-Nigger party, at all times, under all circumstances.]

Congleton, the Carteret hog-thief, fully endorsed every word of the New Hampshire Quaker.

The Rev. Mr. May indulged in a most bitter harangue, saying that if there was but one disloyal man in the State, he would say disfrancise him; if there were 10,000 such, disfranchise them; if 15,000, disfranchise them; in other words, the Rev. (?) Mr. May would say disfranchise every gentleman in the State, and then the Radicals could get all the loaves and fishes without difficulty. He thought that the rebellion had not yet been crushed, that its fires were still burning, and he would not give his vote for any measure granting them rights, until they had repented. [Let us pray. The remarks of the scallawag were received with applause by the Radicals in the house.]

Galloway, nigger, rose to reply to Mr. Ellis. His effort was but a rehash of what has been said a dozen times in the Convention.

The Tourgee gave notice that he would offer an ordinance to-morrow morning; forbidding pay to members who do not attend the sessions of the Convention.

Mr. Pool gave notice that he would move the the previous question on the majority report on suffrage to-morrow.

Mr. Ellis said that every delegate who had spoken on this subject had considered it as a measure for the benefit of party. He opposed any vindictive legislation. The delegate who had preceded him had set out with the declaration that he intended to take a statesman's view of it, but before ending he had come to consider it as a partisan. He had listened to threats of hanging made on that floor—to harangues favoring the preferment of an ignorant and inferior race to the gentlemen of the State. He could not and would not support any measure having such an object. It was a vile and tyrannical effort to oppress the people and strip them of their rights.

Mr. Ellis' remarks were quite lengthy. We can give only the briefest report of them. His effort was creditable to his head and heart.

Hood, nigger, gave notice that he would introduce an ordinance removing the fine imposed upon Ministers and Justices of the Peace who celebrate marital rites between white people and negroes. Just at this juncture, Manager Cowles discovered that the large number of his pets had crawled away to their cages, and he kindly consented, good, fatherly soul; that the remainder might do likewise until the time for the night performance. And they crawled!

The White Men of Warren in Council.

Agreeably to previous notice a large number of respectable and intelligent citizens of Warren county met in the Court House in Warrenton, on the 17th February, 1868, in order to ratify the proceedings of the late Conservative convention at Raleigh.

On motion of Mr. W. K. Barham, Mr. Peter R. Davis was called to the chair, and Mr. Chas. W. Spruill was appointed Secretary. The chairman explained the objects of the meeting in a few appropriate remarks. On motion of Mr. William Eaton, Jr., the chairman appointed a committee of five (consisting of Mr. William Eaton, Jr., Col. Wharton J. Green, Mr. Jos. B. Jones, Dr. Thos. E. Wilson, and John Watson, Esq.,) to prepare resolutions for the action of the meeting, which committee, after having retired for a short time, reported the following resolutions, which were unanimously adopted:

1. *Resolved*, That we cordially endorse the political principles clearly and forcibly set forth in the resolutions of that able and patriotic body, the Conservative convention, which assembled at Raleigh on the 5th day of February, 1868; that they are, in our opinion, the true principles of the constitution of the United States as it came from the hands of its wise and venerable framers, and as it now stands; and that upon their successful maintenance depend, as we believe, the liberty, prosperity and happiness of the people of North Carolina, and of our common country, as well as the fate of free institutions throughout the world. Resolved further, that we especially approve the principle therein expressed, that each State in the Federal Union ought to have the exclusive control of its own internal affairs; a principle once dear to the hearts of all Americans, and which is associated in the mind of the enlightened Statesmen with the wisdom, virtue and fame of the illustrious founders of the republic, and with the lessons inculcated by our wisest and purest men during the brightest epochs of our history; a principle, too, which is fully as important and valuable in New York, Pennsylvania and Ohio, as it is in Virginia, North Carolina and Texas, and which the people of every section must cherish and defend, if they are true to themselves and their posterity. Resolved further, that this inestimable principle is as essential to the safe and harmonious working of our system of Government since the South has acquiesced in the results of the war, and since the destruction of slavery, (which no intelligent individual imagines for a moment can ever be re-established,) as it was immediately after the adoption of the Federal Constitution.

2. *Resolved*, That we will endeavor to the utmost extent of our power, by all fair and proper means, to sustain the principles above mentioned.

3. *Resolved*, That the chairman be requested to appoint County Committees of two persons for each Captain's District, to take charge of all matters of registration, local organization, &c., in this county, according to the plan recommended by the convention.

4. *Resolved*, That the chairman be also requested to appoint two persons from each Captain's District to represent the conservatives of Warren county in a convention of this Congressional District, to be held for the purpose of appointing delegates from said Congressional District to the Democratic National Convention.

5. *Resolved*, That if a convention of the Conservative Party shall be called to nominate State officers, we desire to be represented in that body, and that the chairman be authorized to appoint two persons from each Captain's District in Warren county to attend said convention as delegates from this county, if such a convention shall be called.

6. *Resolved*, That we shall regard as seriously delinquent in the discharge of duty, and most censurably indifferent to the public welfare, every man, entitled to vote, who shall absent himself from the polls at the approaching election for the ratification or rejection of the new constitution, and of officers thereunder if it shall be adopted, unless circumstances, altogether beyond his control, shall render it impossible for him to attend.

7. *Resolved*, That these proceedings be signed by the Chairman and Secretary, and that they be published in both of the Warrenton papers and the Raleigh Sentinel and North Carolinian.

The meeting was addressed by Mr. Walter A. Montgomery, Mr. W. K. Barham, Mr. William Eaton, Jr., and Col. Wharton J. Green, whose remarks were listened to with great attention and very favorably received by the audience.

The following persons were appointed by the Chairman as delegates to the Congressional District Convention, and to the Convention for nominating State officers.

Six Pound—Horace Palmer, Jr., Samuel Bobbitt.

NEWS AND MISCELLANY.

In Bullock county, Alabama, the number of votes cast in the late election upon the constitution was 1,764. The number of registered voters in the county was 4,457. *Not a single white man in the county voted.* What is such reconstruction worth to the government?

The Chicago Times is heavy on Grant, and evidently has not the fear of the forth-coming dictator before its eyes. It says:

Mr. John A. Logan, of Illinois, opposed the West Point appropriation bill because, he alleged, West Point had been "the nursing mother of the Lees, Beauregards, and Stuarts."

Mr. John A. Logan would possibly have added that West Point was also the nursing mother of Grant, had he not been restrained by the reflection that Grant was probably nursed on a bottle.

Parker Pilsbury, the ancient abolitionist and co-worker with Garrison and Phillips, will, it is said, stump New Hampshire for the democratic candidates this spring.

The La Crosse Democrat appeals to the Southern Democrats to let nothing prevent them from being represented in the Convention to nominate Democratic candidates for President and Vice President, and it exhorts them to send no "Orrs nor Joe Browns, nor other weak-kneed and recreant Southerners."

The Rev. F. M. Whittle, the Norfolk Journal says, is soon to be consecrated Assistant Bishop of Virginia.

Seven hundred and eighty-three petitions in bankruptcy have been filed in Virginia since the law went into effect. Of this number not more than ten have been by creditors.

Interesting from Japan.

[From the National Intelligencer of 19th.]

The Department of State received yesterday, by way of San Francisco, the following telegrams from the United States Legation in Japan, dated Osacca, January 18, 1868:

To Hon. William H. Seward, Secretary of State:

SIR:—The opponents of the Tycoon, with armed forces, on the 3rd instant, took possession of Mikado's castle and person, and induced him to issue a decree abolishing the office of Tycoon. The Tycoon is here, gathering troops. War is imminent.

Admiral P. H. Bell, Lieutenant Commander Reed, and ten sailors were drowned here on the 11th inst. The bodies were recovered and buried at Hiogo.

Osacca and Hiogo were opened without trouble.

R. B. VAN VALKENBURGH,
Minister resident.

UNITED STATES LEGATION AT YOKOHAMA,
January 25.

To Hon. William H. Seward, Secretary of State:

SIR:—On the 19th, there was some severe fighting at Yedo between Satsuma, Satsuma's retainers, and Tycoon's forces, both on shore and afloat. Several hundred are reported killed. The three palaces of Satsuma are destroyed.—There has been a naval engagement eight miles off Yokohama. This place is safe. Perfect tranquility is restored, both here and at Yedo.

The Monocacy is in port. I am awaiting the Stonewall, and further instructions from Osacca. All foreign representatives are there with the Tycoon. Very respectfully,

A. L. C. PORTMAN.

THE

NORTH CAROLINIAN,

A DAILY,

Democratic Newspaper,

PUBLISHED AT

RALEIGH, N. C.

W. A. HEARNE, JOHN W. DUNHAM,
EDITORS.

The NORTH CAROLINIAN is Democratic in its principles. It is unalterably opposed to Negro Suffrage, Military rule, and Reconstruction upon the basis of Congressional enactment.

Its Editors believe and teach that this is a

WHITE MAN'S GOVERNMENT,

FRAMED BY THE BRAINS, AND

WON BY THE BLOOD OF WHITE MEN,

FOR THE BENEFIT OF WHITE MEN,

AND THAT IT SHOULD BE

CONTROLLED BY WHITE MEN ONLY.

As there is but ONE NATIONAL ORGANIZATION professing these sentiments and committed to their maintenance, the NORTH CAROLINIAN will steadily advocate the abandonment of all other party names and organizations, and yield a hearty co-operation with that organization—the

NATIONAL DEMOCRATIC PARTY.

THE NORTH CAROLINIAN,

Will contain the freshest News, by telegraph and otherwise. Full reports of all Legislative Assemblies will be furnished its readers.

Particular attention will be paid to State news, and each number will contain a complete epitome of every incident reported in the State press.

MARKETS will be carefully reported.

The Weekly North Carolinian

Is the largest and handsomest paper in the State and will be filled with choice family reading and selected literary matter.

STATE EXECUTIVE COMMITTEE.

The gentlemen composing the State Executive Committee, are respectfully requested to meet in this city on Friday, the 28th inst., at 11 o'clock. A full attendance is much desired.

By order of the

CHAIRMAN.

WHY NOT?

What, not enfranchise the colored man, of whom one hundred and eighty thousand voluntarily took up arms, marched to the front to defend our nationality and our flag, and thirty-two thousand of whom sleep this day beneath this Southern soil.—*Gen. Byron Laflin in the debate on suffrage, Tuesday.*

The bones of one hundred and fifty thousand mules that did good service in the Federal cause, lie bleaching upon Southern soil! What, not enfranchise all the mules and asses in the land? And this "great dominant Republican party should not forget that fact, until "that time shall come, 'when the sun slumbers in the clouds forgetful of the morning.'" *Not* from *Byron* or any other Laflin.

CITY AND STATE.

Thanks.

We return our most hearty thanks to friends in Goldsboro for three handsome clubs of subscribers. Our acknowledgment are due friends in Tarboro, Kenansville and Wilson for similar favors.

We have been sending our Daily to Weekly subscribers, in consequence of hindrances in getting the latter out. The Weekly North Carolinian, which is the largest paper in the State, will be issued during the coming week, and we shall therefore cease from this date to send the Daily to its subscribers.

Mayor's Court.

The following case were before his honor, W. D. HAYWOOD, on yesterday:

Molly Battle, colored, bastardy, *vs.* George Barringer *alias* George Locklear. Returned to the County Court.

A Young Offender.

Paul Bobbitt, a little negro, aged about 8 or 9 years, on yesterday stole a pocket book from Mr. Louis Peck, containing about $30. Missing the pocket book, Mr. Peck gave information to the police, who arrested the young thief.

Paul, having as great a fondness for confectioneries as the voracious delegate from Chatham, had spent $18 for raisins, candy, nuts, cakes and other such articles.

On account of his tender age he was turned over to his mother, who promised to eradicate the "spiritual" ideas implanted by the Bureau, by giving the little rogue a sound thrashing.

Meeting of Fire Company, No. 1.

Fire Company No. 1 held a called meeting yesterday evening for the purpose of organizing for the present year. The following gentlemen were chosen to the positions attached to their respective names:

Foreman,	C. M. McKimmon.
Assistant Foreman,	C. D. Heartt.
Hose Director,	N. B. Broughton.
Secretary and Treasurer,	Z. T. Broughton.
Engineer,	W. T. Dancey.
Assistant Engineer,	B. B. Betts.

The Foreman, Assistant Foreman and Hose Director were, on motion, appointed a committee to solicit persons to attach themselves to the Company.

The Chief Engineer of the Fire Department has ordered one thousand feet of hose, and it is hoped that the ranks of all the companies will be filled. The safety of the city demands this of the residents.

Those desiring to attach themselves to Company No. 1 can leave their names at the store of Mr. C. D. Heartt.

The Kangaroo Meeting last Night.

The Kangaroos of the city assembled at the Court House last night, for the purpose of appointing delegates to a county convention, soon to be held for the nomination of county officers and for the appointment of delegates to the grand pow-wow to be held in this city on the 26th.

Tim Lee, of Massachusetts, the Radical candidate for the Sheriffalty, was "pusillanimously" chosen president, and John Caswell, nigger, was requested to act as secretary.

The chairman explained the object of the meeting.

A committee consisting of three negroes and three whites, was appointed to draft resolutions. During it absence, the meeting was addressed by the greasy kangaroo, Watts, of Martin, making a diatribe against the defunct institution of slavery.

The committee reported a long string of resolutions, which were adopted. Delegates were appointed to the county convention.

The meeting was then addressed by John McDonald, of Chatham, who, as usual, made a display of his great and "varied misinformation and splendid incapacity." Sweet, of Craven, Ragland, of Granville, and Laflin, of Pitt, so-called, made speeches, of the usual type.

The meeting expressed its preference for Mr. Holden for Governor.

Nothing else of interest was done.

The Stockholders of the Western Railroad held a meeting in Fayetteville, on the 12th inst., to determine the location of the road. After much discussion it was decided to postpone the matter until the annual meeting in April next. The Fayetteville News thinks that the meeting was highly encouraging and satisfactory. The relative advantages of Greensboro and High Point as the places of crossing the N. C. Road were freely and ably discussed by D. F. Caldwell Esq., of the former town, and M. S. Robbins, Esq. of Ashboro.

The Wilmington Star notices a very marked improvement in business in that city, consequent upon the advanced prices of cotton and naval stores.

A French-man on the Rampage.

During the debate on the everlasting suffrage question, on Thursday night, one of the French mongrels—the one with the big feet, from Bladen—in the course of his cut and dried remarks, said: "As for Mr. Graham's threats of last night, he would hurl back such threats in their teeth, and though he was morally opposed to fighting, yet, if the worst should come to the worst, they (the congoes and Frenchs) were ready,—and may God have mercy on their (the white folks')souls."

To a young man from the country, the above would certainly sound very bellicose, warlike and pugnacious, but, having read the story of the ass in the lion's skin, we are not to be fooled by your painted mule, Mister French,—besides, we do not forget the historical fact that, there were brave men before Agamemnon. Try again sonny!

Shaker Abbott's Idea.

The Shaker-General Abbott, of New Hampshire, out-herods Herod in his radical niggerism. In his empty, swaggering declamation on the suffrage question, yesterday, he expressed the following sentiments, which, by the way, are borrowed from, what our cotemporary of the Wilson Plaindealer aptly terms "*Reverend* S. F. Waldro, a devil-anointed, pulpit-banger and blatant pimp of radical morality:"

These subjugated Southern traitors have no more right to apply their own peculiar civil or moral ideas than they have to use their physical implements of war.

Conquered in one thing they are conquered in everything, and, hence, for the future, these rebels ought to be like children, 'seen but not heard,' in all moral and political matters.

We do not pretend to quote the exact language of the nigger-loving New Hampshire quaker, but his views as announced in the Konvenshun yesterday are so identical with those of the saintly (?) Waldro, that we have chosen to make our report of his speech from the printed sermon of the latter, rather than from our crude reportorial notes taken "under the table."

And, fellow citizens of the Cape Fear District this self-same Abbott is the man whom the mongrels at the capital have selected to represent you in the U. S. Congress. [Provided you elect him.] White men of the Cape Fear! mark him—mark Abbott well!

LATEST NEWS TO THE FARMERS OF North Carolina.

Your attention is called to my large stock of Agricultural Implements, Iron Steel, &c., &c.

Corn and Cotton Planters, Corn Shellers, Hay, Shuck and Corn Stalk Cutters, Fan Mills, Plows, of every kind, Harrows and Cultivators, Spades, Shovels Forks, Brier Hooks, Iron Axles, Springs, Cart & Wagon Boxes, &c.

I call particular attention to BILLUP'S CENTREBOARD COTTON SCRAPER, and to BILLUP'S DIXIE PLOW. The first is warranted to be the best Scraper ever yet invented, and the Farmers are requested to test its merits in connection with any other kind. The Dixie Plow is freer from choking than any other yet made; will pass through the ground with less power, and do better work than any other kind. This is no vain boast. 'Tis easy to claim superiority; hence I ask a trial.

If Farmers are not satisfied, the money will be refunded.

40 YEARS.

DEEMS' Southern Hepatic Pills, are made and sold by the discoverer, that old and well-tried remedy for all diseases caused by *DISEASED LIVER*, which is attended with all the symptoms of Consumptions. In 1825 the Discoverer was reduced to a mere skeleton, and was pronounced by three of the most skillful physicians of one of our largest cities, to be in an advanced stage of Consumption, and beyond cure. He then began to try experiments on himself, and after many efforts discovered (by the help of an Indian) the remedy which wrought in him a perfect cure. He is now in the 78th year of his age, and at this advanced stage of life retains an excellent constitution. In 32 years itinerating in the ministry, he has seen more than a thousand persons, who were given up to die of Consumption as beyond cure, dragging out a miserable existence, not knowing what ailed them, they were cured by these Hepatic Pills, and afterwards enjoyed the most perfect health.

There is in these Pills a peculiar combination with an article which has probably never before been used as a medicine. They are highly strengthening, and mild in their action on

The Grant-Hancock Correspondence.

In the House of Representatives on Saturday, the Speaker laid before that body the following correspondence:

In compliance with the resolution of the House of February 14, 1868, I have the honor to transmit herewith copies of correspondence between General Hancock and myself, relative to the removal by General Hancock of Councilmen in the city of New Orleans.

Very respectfully your obedient servant.

U. S. GRANT, General.

[Telegram received at Washington Feb. 7, 1868.]

HEADQUARTERS FIFTH MILITARY DISTRICT, N. O., Feb. 7, 1868.—*General U. S. Grant:* I have removed nine members of the City Council—two whites and seven colored—for contempt of the orders of the military commander in proceeding to an election for a recorder of the second district, and which is an elective office under the laws by the people, and not by the Council. The attempt to hold the election was made while I was absent in Texas, but the Council was referred to General Sheridan's order forbidding elections until reconstruction was completed, without the authority of the commanding general; nevertheless, these members voted for an immediate election, and the project was carried. The election was about to be completed, when one, or two members, more timid than others, then left and broke the quorum. A case in point is the order of Gen. Mower, G. O., Oct. 15, 1867, removing the Jefferson City Council for like offence. My action in the matter was in accordance with the power granted by the reconstruction act, which allows the District Commander to suspend or remove persons from office and provide from time to time for the performance of the duties of persons removed by appointment.

(Signed,) WINFIELD S. HANCOCK, Major-General U. S. A.

WASHINGTON, Feb. 8, 1868.—*Major General W. S. Hancock, New Orleans, La:* Suspend your order removing City Council in New Orleans until full report of reasons is sent. Answer by mail.

(Signed) U. S. GRANT, General.

[By telegram—Received Washington, D. C., Feb. 11, 1868.]—NEW ORLEANS, LA., 2:30 P. M., Feb. 9, 1868.—Gen. U. S. Grant, Commanding Armies of the United States: Your dispatch of the 8th February, directing me to suspend my order No. 28, of 7th December, removing certain members of the City Council of New Orleans, until full report of the reasons therefor should be sent to you, was received at 10 P. M., to-day. I request that you may reconsider your action, and that any order in the premises be not suspended until you have the full report of the reasons called for by you. I telegraphed you at the moment the order was issued, giving as full a statement of my reasons for action as I thought could be made. I referred you to the order of General Sheridan forbidding elections, (which you have on file at your headquarters,) and stated that the City Council had been previously notified of this order by me. I also referred you to an order of Gen. Mower, issued in October last, which set forth a parallel case, and which you have on file. In that case an appeal was taken to you for a reinstatement of the council removed by General Mower, which appeal you have not sustained.

The present case was in defiance of that example of Gen. Sheridan's order and of my letter cautioning the Council to desist in this election, and forwarded to you—printed copy, January 26. It was also illegal under the law by which they claim to act. I was astonished at the action of the Council, and could not account for it, except the fact that it had been instigated to do it by designing men, who believed if I dared to make these removals that it would end in my own removal from this place, and that they would be protected. At any rate my self-respect as commander of the District made it absolutely necessary that I should take summary measures regardless of the consequences with which partisans might threaten me. I do not know what fuller report could be furnished in the case for all papers explaining my action have been sent to you. To suspend my order would be to destroy my usefulness here.

Under such an event a sense of what I consider due to me and my position in this matter would necessitate a respectful request to be relieved from my present command. Although I have been here seventy days, this is the second occasion I have taken on my own responsibility to make a removal, the first two days previous to this. Both for grave causes reported to you in detail by telegraph, and while I fully recognize the power of the General-in-Chief to disapprove my action, I respectfully request that as I have acted upon a full knowledge of facts, the General-in-Chief may delay his action until he can inform me what further papers or information he may desire in addition to what has been already furnished him, for a full understanding of the case under consideration. My action in the premises was originally based on the first supplementary reconstruction act of July 19th, 1867. I wait your reply before issuing the order.

W. S. HANCOCK, Major General Commanding.

[Telegram.]

WASHINGTON, D. C., Feb. 11, 1868.—Major General W. S. Hancock, New Orleans, La.:—If your order removing the City Council has been executed and new appointees are in, you need not suspend orders as directed.

(Signed) U. S. GRANT, General.

[Telegram received Feb. 11, 1868.

NEW ORLEANS, Feb. 11, 1868.—General U. S. Grant, Commanding U. S. A.:—The change in the City Council was an accomplished fact when your dispatch of February 9th was received. Several of the appointees had already filed copies of their oaths of office. In my section I have appointed the best men to office without regard to their political sentiments. All must take the required oath, as the change will be of immense advantage to the city, as principally composed, are dependent upon the public confidence.

(Signed) WINFIELD S. HANCOCK, Maj. Gen. U. S. A.

The Cotton Culture.

The Augusta (Ga.) Constitutionalist discusses in detail the question whether cotton can be profitably cultivated, and lays it down that the safer method to arrive at certain conclusions on that point is to establish, first, what have been the actual profits of cotton culture heretofore, and at what outlay; and secondly, to apply the rules thus obtained, as fairly as may be, to existing circumstances. It then proceeds to give the daily records of a cotton farm, carefully made and preserved for a period of thirty years, by one of the most successful planters and accurate business men of that section. The statement is from the daily journal of his farm, from his carefully kept day-book of expenditures, and from the account sales of his factors for a term of fifteen years.

The plantation was one of the largest and best in Georgia, all the modern improvements were put in successful practice on it, and the owner was considered the type of a successful cotton planter. In the expenses of this farm the subsistence of the hands and work animals, being from the produce of the plantation, is not included. The result, under favorable circumstances and good management, was $110 profit a year per hand, over and above hand and horse food. This leaves a very narrow margin of cotton profit for the present time, when it is remembered that meat cannot be raised now in that section at all, and that taxes are about as $12 to one formerly. The same plantation has been worked on a cheaper basis for the last two years than any place in its vicinity, and but $30.00 are left to pay rent of land and interest on investment. Notwithstanding this beggarly result, the Constitutionalist says that preparations are going on for another crop of the staple, which, it fears, will increase the impoverishment and ruin of the South.

ROSADALIS WILL CURE THE WORST CASES OF SCROFULA. READ THE STATEMENT BELOW, AND DESPAIR NOT.

WILSON COUNTY, Sept. 10, 1867.

DR. J. J. LAWRENCE:

Dear Sir—My youngest daughter, aged five years, has been dreadfully afflicted with Scrofula nearly all her life. I tried a great many Physicians, but without relieving her much; in fact, most of them said there was no hope of cure.—During the last Spring she was worse than ever, her body and limbs being covered with sores and blotches—with face and eyes badly ulcerated and swollen. Whilst in this condition, I was advised by Dr. L. A. Stith to try your Rosadalis. I at once procured three bottles, and commenced giving it to her. *The effect was magical. In less than a month*, to my great astonishment, *she was entirely well.*

I am, sir, Yours, with respect and gratitude, W. W. BURNETT.

ROSADALIS CURES ALL SKIN DISEASES.

WILSON, N. C., Sept. 15, 1867.

DR. LAWRENCE—Dear Sir:—In 1862 my son, now aged five years, was vaccinnated with what proved to be impure matter, which completely destroyed his health. He has been afflicted with an inveterate and extremely troublesome *Eruption of the Skin*, sometimes breaking out in sores, &c. Rosadalis was prescribed by my family physician—Dr. A. D. Moore. After taking it a few weeks, my son became and remains *entirely well.* Yours truly, J. B. DANIEL.

CHRONIC LIVER COMPLAINT CURED.

This is to certify that I was *cured of Chronic Liver Complaint* by Dr. Lawrence's Rosadalis, after having been confined to my bed and house for a long time, and trying various medicines without benefit.

I know of several others in this County, *cured* through the use of the Rosadalis, and it can be found in nearly every house in my neighborhood, and they all praise it as a great medicine.

THOMAS THORN.

Greene county, August 14, 1867.

LATEST NEWS TO THE FARMERS OF North Carolina.

Your attention is called to my large stock of Agricultural Implements, Iron Steel, &c., &c.

Corn and Cotton Planters, Corn Shellers, Hay, Shuck and Corn Stalk Cutters, Fan Mills, Plows, of every kind, Harrows and Cultivators, Spades, Shovels Forks, Brier Hooks, Iron Axles, Springs, Cart & Wagon Boxes, &c.

I call particular attention to BILLUP'S CENTREBOARD COTTON SCRAPER, and to BILLUP'S DIXIE PLOW. The first is warranted to be the best Scraper ever yet invented, and the Farmers are requested to test its merits in connection with any other kind. The Dixie Plow is freer from choking than any other yet made; will pass through the ground with less power, and do better work than any other kind. This is no vain boast. 'Tis easy to claim superiority; hence I ask a trial.

If Farmers are not satisfied, the money will be refunded.
